To: Residents of Copper Lake Estates

From: Andrea Clark, Dining Services Director

Re: Town Hall Vote

From this point forward we will have ice cream as your ALTERNATE dessert ONLY at dinner time. Please allow us to explain:

If you do not like the dessert that we are serving for dinner; you may substitute a serving of ice cream. I have now included rainbow sherbet in your selections as well as our usual vanilla, chocolate and strawberry. This policy is to include sugar-free ice cream.

I would also like to take this time to remind everyone of the appropriate times to call for room service or "to-go" orders.

- Lunch you must call by 10:30am
- Dinner you must call by 3:30 pm

You can read more about this in your Resident Handbook. If you need a copy of the Resident Handbook these please ask the front desk, and they will assist you.

Sincerely,

Andrea Clark

Dining Service Director
